SUBJECT: CALIFORNIA WORKFORCE SERVICES NETWORK PROJECT
UPDATES

The purpose of this Information Notice is to advise how our partners can receive regular updates on the progress of the California Workforce Services Network (CWSN) project. The CWSN will replace both the existing Job Training Automation (JTA) and CalJOBSsm systems. This is a complex project which includes many phases to be completed prior to the scheduled go live date of July 1, 2012. In order to keep our partners and other stakeholders (who do not have access to the EDD network) abreast of project activities, a subscription e-mail service has been created.

The subscription e-mail service will be a biweekly mailing pertaining to the CWSN implementation effort. Included in this mailing will be status updates of the implementation process, future training efforts, organizational change management tools, answers to frequently asked questions and other resources available.

The subscription e-mail service is now available and may be accessed online at www.edd.ca.gov/Jobs_and_Training/Our_Partners.htm. From our Web site, click the "Subscribe" link at the "CWSN Insider" item at the bottom of the choices. After selecting "Subscribe," you will have the option to enter your e-mail address and to submit it for inclusion in the biweekly e-mail. If at any time you would like to stop receiving these e-mails, follow the link above and select "Unsubscribe."

If you have any questions pertaining to this subscription service or the CWSN implementation effort, please send your inquiries to the CWSN mailbox at CWSN@edd.ca.gov.
